LARGE BODY ATTEND CHAMBER OF COMMERCE

Over forty businessmen and others attended the regular monthly meeting of the Chamber of Commerce on Thursday evening. Much enthusiasm prevailed and big things were predicted for Redwood City. The question of a government dirigible balloon site or landing was fully discussed, it being the concensus of opinion that the government would locate here providing that a proper site could be secured.

The climatic conditions are splendid, and the location is sought by the government but it must have at least 1000 acres of land and the price must be reasonable. A committee is working diligently on the project and through their efforts the site may be secured for Redwood City.

Chairman M. J. Knox of the Chamber of Commerce appointed the following board of directors:

Z. T. Thorning, Frank K. Towne, Frank Risso, D. R. Stafford and J. Hedge.

Irwin, Jr., of Pittsburg, Pa., at 6 o'clock, the Rev. C. H. Stevenson officiating. Miss Edith June Martin acted as bridesmaid while C. G. Uhlenberg, brother of the bride was the best man. After the impressive ceremony a delightful dinner was given in the home to the invited guests.

CITY TRUSTEES MET MONDAY

LENGTHY PROTEST FILED WITH BOARD AGAINST PROPOSED IMPROVEMENTS ON JEFFERSON ST.

The City Board of Trustees met in regular semi-monthly session Monday evening and transacted considerable business.

Several property owners living on Jefferson and Washington streets appeared before the board to protest against the proposed improvements of these streets. The delegation presented a long petition signed by every property owner on the streets. They based their objections on the ground that material and labor was too high and scarce at this time. It was pointed out that the street had been graded; rocked, oiled and rolled at the expense of the city and not at the expense of the property abutting, and only a few weeks ago a request was made to the board to make Jefferson street passable, that the street was subjected to heavy traffic and was in bad condition. At that time three representative citizens appeared before the board and made strong protests and asked the board to do something to improve the condition of the street.

The street is in fair condition and in keeping with the progress of the city, the board had contemplated paving the thoroughfare.

The following property owners signed the protest:

W. H. Lipp, Jr., Mrs. Josephine Titus, Jens Hansen, Mrs. J. E. Cummings, L. B. Winiger, W. H. Hammerson, J. W. Poole, Mrs. A. Cook, W. H. Lipp, Sr., St. Peter's Episcopal Church, F. A. Brown, Rector; Edw. F. Fitzpatrick, Miss M. A. O'Riley, Mrs. J. H. Offerman, Mary E. Hulings Caroline Heiner, Sarah L. Poole, Maria F. Taylor, Mr. and Msr. H. Michael, C. H. Woodhams, John Thompson, T. P. Maloney, A. Hess, Louis Genochio, Bertha M. Kuck, Matilda C. Welsh, D. P. Flynn, Geo. Genochio, Jane Robertson, J. C. Walsh, F. K. Towne, agent; Roy W. Cloud, President of Board of Trustees, the First Congregational Church; J. L. Pipkin, J. A. Genochio.

Rev. F. A. Brown, rector of the St. Peter's Episcopal Church, which owns property fronting on Washington street, addressed the board and made a strong argument against the proposed improvement. Rev. Brown and others appeared before the board recently and spoke in favor of certain improvements of Webster street and stated that the Bishop of his church would grant some of the church property in order to straighten and otherwise improve the street. Jefferson street is more important to the city than Webster street from Jefferson to Broadway.

A. M. Robertson, who owns considerable property fronting on Jefferson street and J. W. Poole, who owns property on Washington street also made strong arguments against the improvement of Jefferson street.

The board felt that if the property owners did not want the streets fixed at this time the matter could rest, and they would not press the improvements.

Bids were opened for improvements on Maple street as follows:

C. B. Cowden	$4396.05
Chas. J. Linden	4586.27
Dreyfus Bros.	5561.45
Bos & O'Brien	5189.03

On motion the contract was awarded to C. B. Cowden, he being the lowest bidder.

The following dance permits were granted:

Redwood City Commercial Club, August 30, 3 o'clock dance.

Jazz Club, September 22, 3 o'clock dance.

T. E. Serrat addressed a communication to the board asking permission to lower the sidewalk curb in front of the Alhambra building on Main street, so that automobiles could enter his place of business which is to be fitted up for handling and recharging storage batteries. The request was granted with the understanding that the curb would be replaced if the building was vacated.

The State Automobile Association sent a communication to the board offering to supply the city withwarning signs, as required by the State law, to designate the business and residence sections of the city for $1.50 each. The California Corrugated Culvert company offered to furnish the signs for $2.25 each f. o. b. Berkeley.

Street Superintendent Dearborn was requested to ascertain the number needed and report at the next meeting of the board.

Mrs. Nellie L. Miramontes, the deputy clerk, addressed a communication to the board asking an increase in salary. On motion an increase of $10 a month was granted.

City Attorney Mansfield was instructed to draft an ordinance regulating the emptying of water from factories and other buildings within the city limits.

Chief of Police J. P. Coleman addressed the board relative to licensing oil trucks doing business in Redwood City and selling to the trade and others. The board agreed that something should be done in the matter and suggested a vehicle tax.

The board adjourned to meet next Monday, August 25, to open bids for new concrete bridges on Broadway and Maple streets.

HEAVY FEES OF ATTORNEY IN THE COBURN ESTATE CUT TO $7,500

The suit of J. Early Craig against the estates of Loren Coburn and Sarah Satira Coburn for $20,000 for legal services rendered both Mr. Coburn and Mrs. Coburn during their life time and extending over a period of four years was compromised in the superior court on Thursday for $7,500.

The matter came up on a petition filed some time ago by Cullinan and Hickey, attorneys for the estates, to have the claim of Craig compromised. The court acquiesced in the matter and the claim was settled for that amount.

Mr. Craig was the attorney for Loren Coburn in litigation commenced in 1915. He also represented Mrs. Coburn in numerous legal matters. The money is to be paid in equal amounts from both estates. Mr. Craig commenced a suit for the $20,000 fee after the claim had been rejected by the executors of the last will and testament of Loren Coburn, deceased.

THE SUPERVISORS HOLD MEETING

The board of supervisors met in regular session Monday, August 18, 1919, at 10 a. m., there being present John MacBain, presiding; T. L. Hickey, W. H. Brown, Jos. M. Francis and Dr. C. V. Thompson.

Bids for oiling the Mountain House road from Woodside to Searsville were opened and read as follows:

O. H. Kuperud, at the rate of $4.85 per barrel of oil used in the work.

Blanchard, Crocker & Howell, at the rate of $6.00 per barrel of oil used in the work.

The contract was awarded Kuperud on motion of Brown, seconded by MacBain, his bid being the lower of the two submitted.

A petition was received from E. W. Westphal, asking for the abandoning of a portion of Orchard avenue in the Lee tract, which lies just south of the Redwood City-Woodside road. The petition stated that the avenue in question was no longer used for public traffic and accompanying it were letters from the other adjoining property owners agreeing and consenting to the abandonment. Dave E. Walter of Redwood City appeared in behalf of Westphal in the matter.

The board, on motion of Brown seconded by Francis, set Tuesday, September 2, at 10 a. m., as the time for hearing the petition for abandonment, and the notice of hearing was ordered published.

The board took up at this time further hearing in the matter of the San Gregorio-Tunitas road controversy, laid over from a previous meeting.

County Surveyor George A. Kneese submittde the following report concerning the original cost of the construction of the new road from that portion under controversy and the estimate of the cost of putting the road in first-class condition, together wih an estimate of the cost of constructing a new road on the old location:

Pursuant to your order I have the following report on the San Gregorio road controversy:

The total length of the original contract from Tunitas Creek to San Gregorio, 4.83 miles.

Total cost, exclusive of engineering $80,516.74.

Length of portion under controversy from the summit at Palmers to the junction of old road at the foot of the grade, 1.83 miles.

Proportionment cost, including right-of-way and damage to crops for this portion $33,700.00.

This road was finally completed in November, 1915, and consists of a waterbound pavement five inches in thickness with an oil and screening surface.

To put the road in a first-class condition the following work should be done:

Provide for the proper drainage conditions; major portion of the road to be thoroughly scarified; placing of additional rock on the whole length of road, a layer of at least two inches in thickness, the whole reshaped, sealed and thoroughly rolled, followed up by an asphaltic oil and screenings surface. This work is estimated to cost $10,200.00.

Briefly, the work would consist of grading, proper drainage, culverts, etc. and a waterbound macadam pavement seven inches in thickness with an asphaltic oil and screenings surface. This road would have a maximum grade of 7.80 per cent. Estimated cost, $15,000.00.

In conclusion will state that if the county rebuilds, as outlined above, that portion of the new road under discussion, it will mean that in the short time of four years, the county will have spent a sum equal to 30 per cent of the original contsruction cost, in maintaining a road which is practically one mile longer than the construction of a new road on the old location.

Respectfully submitted,
GEO. A. KNEESE,
County Surveyor.

Following the reading of the above report, Supervisor Thompson, in whose district the two roads are situated, addressed the board and stated that he undersood the various persons interested in the controversy were willing to compromise in the matter by having a new stretch of road built from that point known as the "Hairpin Turn" to the culvert at San Gregorio, and which, Supervisor Thompson stated would afford a good grade.

Following further discussion in the matter in whoch Attorney Edw. F. Fitzpatrick and Hall C. Ross and John V. Souza addressed the board, County Surveyor Kneese was instructed, on motion of Thompson, seconded by Brown, to make a survey of the proposed new stretch and submit a report at the meeting of September 2, showing the cost of construction of the road.

County Treasurer P. P. Chamberlain appeared before the board and asked for a sixty-day leave of absence in order to attend the National Encampment of the Grand Army of the Republic at Columbus, Ohio. The request was granted, on motion of Hickey, seconded by Brown.

The board took up at this time the question of repairing the State highway through Redwood City and which had been laid over from the last meeting in order to look into the matter and ascertain whether the above city or the county of San Mateo was responsible for making the repairs.

City Attorney Albert Mansfield was present at the meeting and read the ordinance adopted by the trustees of the Town of Redwood City in 1913, giving the supervisors of the county permission to construct and maintain the highway through the town limits along El Camino Real. The permit, according to the ordinance, including a width of 39 feet, all of which was to revert back to the city at the expiration of six months with the exception of 12 feet on either side of the center line.

Attorney Mansfield explained that the purpose in having the property revert back to the city was to allow the municipality to construct the shoulders on either side of the highway, proceedings for which had been started but are now in the law courts.

District Attorney Swart, to whom the matter was referred, stated that he did not believe the county could be compelled to maintain the road, but that there was no objection to the board doing so if it so desired.

Attorney Mansfield said that it was the purpose at the time of the adoption of the ordinance that the county should be responsible for the maintenance of the highway.

After further discussion, it was decided, on motion of Brown, seconded by Hickey, to refer the matter to District Attorney Swart for a written opinion to be submitted at the meeting of Sepember 2.

Superintendent of Schools Roy W. Cloud submitted his report showing statistics for the schools of San Mateo county for the year 1918-1919, which gives a total daily average attendance of 5090 pupils. This will allow for 164 teachers. According to the report, the schools will need $244,278 to meet the ordinary expenses, of which amount the State fund will allow $95,575, leaving a balance of $148,703 to be raised by the county.

The report was ordered referred to the county auditor, on motion of Francis, seconded by Brown.

Supervisor Hickey addressed the board and urged that the memory of the boys from San Mateo county who died in the service in the last great war be cherished by having a bronze plaque containing their names placed in the rotunda of the courthouse. The plan met with the approval of the other members of the board, and on motion of Hickey, seconded by Brown, County Purchasing Agent Werder was instructed to ascertain the names of those who had made the supreme sacrifice in the war and also to secure an estimate of the cost of a plaque as suggested above.

Two claims, one of County Purchasing Agent Werder in the sum of $100 for stamps for distribution and the other of D. J. Lynch in the sum of $125 for services as deputy field auditor, were allowed by the board, on motion of Francis, seconded by MacBain.

Those having a surplus of discarded late magazines would do well to notify John O'Brien, secretary of the K. of C. building at the base hospital. The inmates are anxious for reading matter of this sort and would appreciate them. Mr. O'Brien may be notified and he will call at any residence and get them or they may be left at his home on Oak Grove avenue.

Miss Isabella Duff and Miss Margaret Duff are enjoying a two-weeks vacation at Pacific Grove.

James Allen has returned from France. He was in the U. S. navy having enlisted nearly two years ago. Young Allen was in the transport service and during his absence has seen a greater portion of the world.

Mr. and Mrs. W. A. Doyle are spending their annual vacation of two weeks at Laurel Dell, Lake county.

An architect and superintendent from Washington is at the base hospital arranging plans for new work and repairs on the buildings. A large garage is to be erected, new roads constructed and new wards built. This would seem as though the government intends to make the institution permanent. Contractors are now at work to have all contemplated improvements completed before the rainy season sets in.

Father Albert Breton, in charge of the Catholic Japanese Settlement at Los Angeles, was a visitor at St. Patrick's Seminary during the week.

The attractive home of J. Henry Meyer at University Heights was totally destroyed by fire Sunday afternoon last. The origin of the blaze is not known, it started in the attic of the building. The local fire department responded promptly but the poor pressure of water prevented the men from saving the burning structure. All the valuable bric-a-brac and costly paintings and the greater portion of the furniture were saved. Over 25 years ago this beautiful home was erected by the late Eugene Avy. It has been added to by Mr. Meyer so that it was one of the finest homes on the peninsula. It was insured. Mr. Meyer will rebuild. Mr. Meyer and his family have the sympathy of the community in the loss of their home.

The Ancient Order of Foresters will give a card party in the Moose hall on September 20.

Miss Vera Cox, pretty young daughter of Mr. and Mrs. James Cox of San Francisco and a niece of Mr. and Mrs. Frank Derry of this place, was united in marriage to Frank Geis at an nuptial mass in Mission Dolores church by Father George Lacombe on Thursday morning. The mother of the bride is a former Menlo Park resident, she being known in her youth as Miss Mary Maloney. Mr. Geis is a chemist of well-known ability.

A number of young ladies from here motored Saturday evening to the home of Miss Gertrude Kavanaugh at Ravenswood to attend a farewell reception given in her honor by her young friends. Miss Kavanaugh left on Monday for San Francisco where she will attend the Notre Dame academy making week-end trips to her home.

In reply to Senator Phelan's letter addressed to Secretary of War Baker, Surgeon General Rupert Blue makes the following statement which will be of interest to the people of Menlo Park:

Treasury Department, Bureau of the Public Health Service, Washington, D. C., August 2, 1919.—Hon. James D. Phelan, U. S. Senate, Dear Senator: Your letter of July 17, addressed to The Honorable the Secretary of War, forwarding telegrams from the Right Rev. Edward J. Hanna, the Menlo Oaks Improvement Association, the Humboldt Savings Bank, and the Board of Supervisors of San Mateo county, California, respectfully, protesting against the establishment of a permanent hospital at Menlo Park on the site formerly occupied by the Base Hospital at Camp Fremont, has been referred through the Secretary to this Bureau for reply. The Base Hospital at Camp Fremont has been turned over to this Service by the Aarmy for the treatment of discharged sick and disabled soldiers, sailors, and marines, in accordance with the provisions of the act approved March 3, 1919, and the Bureau has been considering the site in question for one of its permanent hospitals for that purpose.

I beg to inform you, however, that the question of a site for the permanent hospital which it will be necessary to erect in California for this purpose has not yet been definitely decided. The bureau is giving careful study to the subject, and you may be assured that the protest of the citizens of Menlo Park will receive full consideration. In this connection, however, the Bureau believes that wherever this permanent hospital is finally located, the type of building, treatment of the grounds, and the care and control of the patients will be such that the Hospital would be found an asset to any community, as has been the case in connection with many other hospitals of like character.

Respectfully,
RUPERT BLUE.

George Agnus Sr., has returned from Mendocino county where he went on a hunting trip. He killed two bucks weighing 150 pounds each. Mr. Angus had a delightful time in hunting the wary deer in the wilds of that county.

Joseph Nash has leased the Cooley home on Willow avenue near his mother's home. It is a cosy bungalow with a splendid family orchard.

One of the best crop of peaches ever seen in this section of the state is now being harvested at the home of Ira Merrill. The fruit is large, juicy and of an excellent flavor. Mr. Merrill finds ready sale for the fruit.

Miss Loretta Harrington has gone to Los Angeles for her vacation. Miss Harrington is a Southern Pacific employe at San Francisco.

Miss Margaret Gale and her mother left Monday for Los Angeles for a trip.

James Flood ,Jr., had a serious operation performed on his eyes Tuesday night by Dr. Houston assisted by Dr. Thomas, Dr. Gallwey of San Francisco and Dr. Harry Reynolds of Palo Alto were also present together with four professional nurses. The little fellow, while swimming in the big fountain near his home last week, caught one of the gold fishes and in some way rubbed his eye with it. The optics became infected and an operation followed. The operation was successful. The boy will soon recover.

Postmaster E. J. Crane has been kept on the jump during the week selling government supplies. The sale here was almost as large as that of Palo Alto.
